Ed, Mike and Rick,

I attached the draft slides for your presentation at the Region 7&8 State Departments of Ag meeting on Thursday. I wanted to provide it before the prep meeting at 4:30 today (I plan to attend), so that we can discuss your suggested edits, additional topics to include and determine who will cover specific topics. Since you were asked to discuss dicamba, I used some of the slides from RD's recent presentation for states (see attached). I'm attaching it so that you can also determine what slides you want to delete or add to your presentation. Just as a reminder, you are slotted to speak for 1 ½ hours (see agenda below)
